

Ride Horse, Ride

- WORDS AND MUSIC BY DARIA A. MARMALUK-HAJIOANNOU AND KYRA JOY HAJIOANNOU

Native people believe in both respecting animals and learning lessons about life from them. My daughter and I wrote this song with our Pueblo drum about horses.

Ride, horse, ride
Ride into the sunbeams
Ride, horse, ride
Ride into the moonbeams

Take us to where we need to go
Show us what we need to know...

Ride, horse, ride
Ride into the sunbeams
Ride, horse, ride
Ride into the moonbeams

Take us to where we need to go
Show us what we need to know...

ride horse, ride
