

# This Land Is Your Land

*One of my heroes growing up was Woody Guthrie because he traveled from place to place singing and sharing music. He has so many great songs - but I included this one because it has a special place in the heart of our culture.*

This land is your land, this land is my land  
From California to the New York Island  
From the Redwood forest to the gulf stream waters  
This land was made for you and me!

As I was walking that ribbon of highway  
I saw above me that endless skyway  
I saw below me that golden valley  
This land was made for you and me!

I've roamed and rambled and followed my footsteps  
To the sparkling edges of her diamond desserts  
And all around me a voice was sounding  
This land was made for you and me!

Nobody living can ever stop me  
As I go walking that freedom highway  
Nobody living can make me turn back  
This land was made for you and me!

**this land is your land**
