

DARIA'S Summer Fun Contest

My Family Makes Music!

Have fun making music with your family this summer!

And while you're at it, take a great picture of the way you and your friends and family make music – and send it to **DARIA MUSIC** (dariamusic@yahoo.com). You may win cd's, t-shirts or make your own maracas kits. One grand prize winner will also get a real dulcimer (made from recycled cardboard but it looks and sounds great!).

We're looking for fun and creative pictures that capture how cool it is to make music with the ones you love!

Need some ideas?

Why not make some new instruments to inspire your summertime jam? Visit **DARIA'S** website under instruments and you can find directions for homemade didgeridoo's, box drums, guiros and much more! Or create your own blend of musical magic or mayhem. Be creative and have fun!
