BY DARIA

## Do The Limbo

- MUSIC - TRADITIONAL, NEW LYRICS BY DARIA MARMALUK-HAJIOANNIOU

Do the limbo – go a little lower each time  
Do the limbo, we're singing and we're dancing in rhyme

We limbo fast, we limbo slow  
Look out now, here we go (2x)

We limbo left, we limbo right  
Look out now, we're out of sight! (2x)

We limbo all around the room  
We limbo under the limbo broom (2x)

Last time...  
We do the limbo – to the bottom from the top  
We do the limbo – We do the limbo til we stop –  
cha, cha, cha!

## Shalom, Shalom

Salaam, Shalom - Salaam, Shalom  
These words mean peace, these words bring hope

Brothers raise your voice with mine  
Sisters bring your song  
If the people show the way  
Then the leaders must come along (singing)

Salaam, Shalom - Saalam, Shalom  
These words mean peace, these words bring hope

Everywhere we pray for peace  
We work for a new start  
For miracles to light the way  
Giving wings to broken hearts

Salaam, Shalom - Saalam, Shalom  
These words mean peace, these words bring hope

The time for mourning now is past  
The time for peace is come  
The night it was so long and dark  
Let's welcome a new dawn

Salaam, Shalom - Salaam, Shalom  
These words mean peace, these words bring hope

## Tumbalaika

- TRADITIONAL - YIDDISH

Chorus:  
Tumbala, tumbala, tumbalaika,  
Tumbala, tumbala, tumbalaika  
tumbalalaika, shpiel balalaika  
tumbalalaika - freylach zol zayn.

Shteyt a bocher, shteyt un tracht,  
tracht un tracht a ganze nacht.  
Vemen tsu nemen un nit far shemen,  
vemen tsu nemen un nit far shemen

Hear my tale of a certain young man  
Stayed up all night til he thought up a plan  
Wanted a girl who would be his delight  
One who was pretty, witty and bright

The girl was pretty – and clever, you see  
Answered his questions, one, two and three  
Answered his questions, then asked him one more...  
"Sir, will you dance out on the dance floor?"

## Whole New World

- WORDS AND MUSIC BY DARIA MARMALUK-HAJIOANNIOU

Once there was a little seed  
Trapped beneath the ground  
Couldn't see a single thing  
couldn't hear a sound  
But something deep inside of it  
Reached up toward the light  
Knew there would be something good  
Something real and right...

A whole new world  
a whole new day  
take my hand  
We'll live a brighter way

Then right next to this little seed  
There came up lots of sprouts  
Green and growing everywhere  
To let the wonder out  
What once had looked like empty soil  
Became a field of dreams  
If you've ever watched how love transforms  
Then you'll know what I mean

A whole new world  
a whole new day  
take my hand  
We'll live a brighter way

So this is what I'm telling you  
Is happening today  
Hands are reaching upward now  
To welcome whole new ways  
Joy and peace can blossom  
Where there was sorrow and despair  
The fields are getting greener now  
I think we're almost there

A whole new world  
a whole new day  
take my hand  
We'll live a brighter way
